The New Paltz Police Department is investigating a vehicle vs. pedestrian hit and run accident that occurred earlier this morning.

At approximately 05:30 a.m. on April 2, 2011, New Paltz Police responded to a 911 call reporting a car vs. pedestrian person injury auto accident where the vehicle left the scene on State Route 32 North near Rocky Hill Road. The victim was transported to an area hospital and is currently in stable condition.

The victim and a witness were walking on State Route 32 North on the north bound shoulder when one of the men was struck by a northbound vehicle which did not stop. The vehicle sustained passenger side damage and the passenger side mirror was recovered at the scene. It is possible that the driver did not know that they struck a pedestrian.
